

Drilling template for RTI Lens Mount

Suitable for:

**Laserworld DS-900RGB,
Laserworld DS-1800RGB,
Laserworld DS-1800B**

Template is scaled to DIN A4 paper. Make sure that no unwanted re-scaling happens during the print. It can also be printed on any different sized paper as long as the output isn't scaled. Use this template at your own risk!

Please use two M3 screws with screw nuts to attach the RTI Lens Mount to the Diode Series front panel.
