

## NEW PRICELIST OCTOBER 2012

### New products and drastic price cuts!

We've calculated tough and we were able to cut the prices of many products for the last quarter of this year, e.g. the RTI NANO series with Coherent OPSL modules. Our new price list is now available!

[>> Click here to download the new pricelist<<](#)

## Buy now - pay 2013!

Take advantage of our unbeatable price / performance ratio with maximum financial flexibility and credit terms of up to three months \* - this is also possible to be combined with our rental and leasing services.

\* subject to verification and acceptance by Laserworld
